Operation Rice Bowl – This Lent our community will participate in CRS Rice Bowl, a faith-in-action program that will help you experience Lenten spirituality by living in solidarity with people in need around the world. As we, the global Church, continue our prayerful walk through this Holy Year of Mercy, it is especially appropriate to come together in prayer as a family this Lent, reflecting on how we can live this call to mercy more abundantly. Please use the cardboard CRS Rice Bowl and Lenten Calendar to guide your Lenten prayer, fasting and almsgiving. We will be collecting your Rice Bowls at the end of Lent. Thank you in advance for participating in this life-changing program.

BE KIND by Fr. James Martin, SJ – Every year when Ash Wednesday rolls around, Catholics usually ask one another what they're giving up for Lent. Sometimes there's also some good-natured teasing about the perceived degree of difficulty: "Is that all? That's not hard!" This Lent, rather than giving up chocolate, why not do this: Be Kind. Kindness is an underappreciated way to lead a Christian life. Let me suggest three ways to be kind. *First, don't be a jerk.* You may be sick, tired, or upset about some minor catastrophe that happened at work or at home. That doesn't mean that you have to pass along your anger or frustration to others. *Second, honor the absent.* Stop talking about people behind their backs. Few things are as damaging to our spiritual lives as denigrating other people. It's a serious lack of charity, and needless to say, it makes the other person feel terrible if they discover what you said – which they usually do. *Third, give people the benefit of the doubt.* St. Ignatius Loyola mentions this at the beginning of his *Spiritual Exercises*. Whenever there is any doubt about what someone said or did, give them the "plus sign." Being kind may be harder to do than giving up chocolate, but it's a lot more helpful for your spiritual life – and for everyone else's.
